

SETTLING IN SESSIONS 2018-2019

It is important that children feel safe, stimulated and happy in the nursery and to feel secure and comfortable with their carers. We understand that many parents may be anxious at leaving their child in a new nursery and feel that it is important that parents have confidence in both their child's well-being and their role as active partners, with the child being able to benefit from what the nursery has to offer.

Settling in visits and introductory sessions are key to a child's smooth transition into our nursery. These discounted packages have been designed to enable a gentle transition for your child into nursery according to ages and stages of development.
